

Kae said both boys got up and made it to school yesterday ☺.  
Lisa C asked, "How does it feel at a home visit when they are in your home doing paperwork?" Kelly added, "They did a normal home visit, then started paperwork at end of the visit." This was easier on the home visitor to do at end.

4. Agency Influence on Parent Voice 20 minutes
  - a. How do families know how to reach out if there is a concern or problem?

Dana, Strong Start, Healthy Start, mentioned they bring a binder to the first meeting with the supervisors contact info. Having that info to the families. MIHP - has a form the state is required to give. The NFP has a form "How's it going between us? They used that to improve retention. The form can be intimidating for the staff person, but overall effective. In Early On, one family may have more than one visitor. A discussion about having a family telling on one home visitor versus another. Should LLG (for all home visiting programs) have a standard form for families? EHS - Kelly said they do not have anything to give the families when problems or concerns arise.

Everyone send what forms are used to Effie by Friday, January 6<sup>th</sup>, 2017. Please include the #1 question is the most important to you.

5. Home Visiting Agency Updates/General Announcements  
5 minutes

Nola shared she is on the board for Home Visiting Conference. Nola asked for suggestions for presentations and speakers. Effie's request is to see domestic violence training at the conference. MIHP - passed their recertification  
EHS - Head Start Performance Standards.  
Michelle - Talked about the grant and targeting 3 year olds. They are currently contacting families.

6. CareHUB Updates 5 minutes  
(Kristen Donnelly)

No updates. CHAP is good. CHAP takes community referrals.

7. Great Start Family Coalition 5 minutes

(Jessica Baker) Parent Coalition meetings are coming. January and February might be at Spartan Child Dev. Center. Jessica is looking for different locations. There will be Parent Café. Stay tuned – more info on the way!

9. 2017 Training Planning 25 minutes

They will find out the CQI Project next Wednesday.

What is best for staff? - Quarterly? Or two larger trainings?

Effie likes the quarterly meetings. What would staff benefit from? Food is a motivator.

- 1 professional dev training for staff & 1 training where we bring someone in.

When is the best time for the training (lunch)? – April or May (Not first week of April because of spring break)

Plan larger training ASAP. What and where?

When we do training, bring the parent voice aspect.

Dana – Thinks it beneficial to share what we learn about the parents.

More training in: ‘Understanding Resources in the community.’

Home Visitor Safety Training is taking place at DHHS.

April is PMD Part 2. How long? Morning meeting. Friday?

Identifying what was most impactful for home visitors. Do you want parents sharing stories? Just Nancy?

Table talks at the conference.

Smaller meeting: Lunch and Learn – end of May/June or September.

Need topics and what that will be structured like.

Include hours of training on flyer
