

Outcome 1- Children are born healthy

Goal: Prenatal health care services are easy for families to access.							
Objective #1: Barriers (transportation, childcare, parents' work schedules and doctors' office hours) to accessing prenatal health care services are identified and reduced.							
Strategy: Understand family preferences for how to best reach them with information (i.e. gather input from families who received prenatal care when/if deciding to change Drs.' office hours)		Performance Measures: <ul style="list-style-type: none"> • Barriers to accessing pre-natal health care reduced • Reduction in number of families missing pre-natal health care appointments 					
<p>QUESTION: Review the Kids Count data and use your knowledge of the current early childhood system and our community to note any major changes:</p> <ul style="list-style-type: none"> • No major/significant changes <p>Report on the actions you committed to take at the May GSC Meeting.</p> <p><i>Group Members: Jessica, Dana</i></p>

- Client perceptions – quality of care

Progress made and next steps:

1-10-18

- Drafted tentative survey questions for parents
- Next step is to compile a survey and review
- Begin to distribute survey (in various forms) to collect qualitative data
- Incentives are TBD
- What to do with collected data is TBD

Progress Made:

2-21-18

- Finalized the survey about prenatal health care access.
- Discussed what we could possibly do with the data collected (TBD).

Next Steps:

2-21-18

- Dana and Jessica will “facilitate” a focus group to distribute survey on March 1 as part of Strong Start Healthy Start diaper program.
- **Lisa** will contact Cedar Peds, WIC, Women’s Health, and school-based centers about doing community input walls.
- **Dana, Jessica, Effie** will follow up with Shared Pregnancy to facilitate a focus group.

Progress Made and Next Steps:

3-21-18

- Fully roll our survey to all home visiting programs in Ingham County.
- Jessica and Dana distributed the survey to parents participating in Strong Start Healthy Start Diaper Program (also did small focus groups)
- Lisa Chambers (and ICHD staff) distributed survey to ICHD home visiting programs.
- Data from Strong Start Healthy Start focus groups and home visitor survey will be compiled.
- **Jessica and Effie** to set up date and time to distribute survey or facilitate and give survey to LLG home visiting programs.
- **Jessica** to attend Stepping Up Together YouTHRIVE Teen Parent Summit and distribute survey (Friday, 4/27/18, 9:30am-3:00pm)

Progress Made and Next Steps:

4-18-18

- ICHD distributed 25 surveys. **Lisa** will send out finished summary.
- **Jessica** to follow up with Shared Pregnancy.
- Distributed and collected prenatal survey (7-25)
- Focus group at Diaper drive ()
- **Jessica** – Survey at Shared Pregnancy, other HV programs (**Dana/Kendra**), Baby Fair, Teen Parents
- **Lisa** – Send out summary of survey results to Outcome 1 group.
- **Regina** – Send out updated IMC infographic to Outcome 1 group.
