

Outcome 2 – Children are healthy, thriving, and developmentally on track from birth to third grade

Goal: Parenting supports and services are reaching families who need them and are easy to access.			
Objective: Increase the supports and access to prevention services for families at risk of abuse and neglect in Ingham County.			
Strategy 1: Craft and share information about parenting services that families can understand and resonate with.		Performance Measures: <ul style="list-style-type: none"> • Programs have an increased understanding of care designations and understanding who is primary caregiver • Families of different care designations have more information on programs and services they may be eligible for

2-21-18 Progress made and next steps:

- Legal Spotlight happened at November 2017 GSC meeting.
- Janet Bowen will contact Refugee Dev Svs re listing as a resource.
- Add section to Calendar for legal and immigration assistance.
- Reference those things that grandparents and other caregivers/relatives can do; what (legal) rights does the non-custodial caregiver have (i.e. taking child to dr. appointments; making health-related decisions, etc.)
- Electronic version of the Calendar that could be updated with new information. (SRAC-Lucy & Michelle)
- May is Social-Emotional Awareness Month. ID social-emotional messages on the calendar.
 - Moral standards; respect; responsibility; how to manage feelings
- Contact 211 re connection to Medicaid – 1 phone no
- Share Calendar with DHHS – Missy
- “ “ “ Cristo Rey – Janet
- “ “ “ Islamic Center – Sondos
- Bring Als Pals Message – Lucy
- 2nd Step Messages – Michelle

3-21-18 Progress made and next steps:

- Janet – Reported ICHD (Christine Hendrickson-emergency preparedness mgr) is *not* currently working with schools regarding safety.
- Janet – Reported can use MSU Law Clinic and St. Vincent's (Michigan protection and advocacy) as a resource for section in Calendar regarding legal and immigration assistance.
- Janet – Reported RDC parent orientation geared toward people learning English, nutrition education, etc.
- Missy – Reported OYC has no specific safety info they share with child care centers.
- CMH – Share concerns that Sherriff dept., police and schools need better coordination for emergency issues and to identify roles of each organization.

- Lucy – Reported mixed messages may be confusing to parents re buildings that are locked vs daycare sites that may not have locked doors or different (safety) rules.
 - Michelle – Reported safety meeting scheduled for next week to further discuss school safety issues. Eaton & Jackson have Handle with Care Program where law enforcement is trained to complete a form so schools/teachers are aware to handle a child with care when the child/family has experienced an “incident.” If children displays ongoing issues, then the next step is to connect with MH.”
 - Power of We hosted active shooter training last week by LPD officer.
 - Add various calendar messages next year (calendars are scheduled to print by 3/31/18).
 - Fran will create a one-pager for May re Social Emotional Health Awareness month. Question: “How do you help your child be independent?” Document will be edited by Outcome Group 2 at the April GSC meeting and a distribution plan will be discussed.
- 4-18-18 Progress made and next steps:**
- Fran/Kathy created draft of “social-emotional” flyer (i.e. *What is social-emotional health and why is it important?*) for review at today’s mtg. Feedback included text heavy; text should read at third-grade level; add info about where to get additional social-emotional info; some info on flyer is very good for home visitors to share w/ families—more basic info is better for family who “reads the flyer.”
 - Outcome members to give additional feedback to Fran.
 - Fran/Kathy will revise flyer and send to Michelle. ISD PR Dept may add graphics, etc., and get ready for distribution (in May).
 - Sondos delivered Ingham Early Learning Calendar to all classrooms at the Islamic School.
- 5-16-18 Progress made and next steps:**
- Kathy/Fran will pare down original flyer to appx 4 bullets and submit to Michelle for creation of mailbox insert to targeted families by zip codes.
