

You are invited!

The Lansing Exchange Club and the Michigan ACE Initiative invite you to view a free screening of the award-winning documentary Resilience, hosted by the Fostering STARS at Lansing Community College.

Thursday, August 3rd @ 10:00am
Dart Auditorium
500 N. Capital Ave
Lansing, MI 48933

RESILIENCE: THE BIOLOGY OF STRESS & THE SCIENCE OF HOPE chronicles the birth of a new movement among pediatricians, therapists, educators and communities, who are using cutting-edge brain science to disrupt cycles of violence, addiction, and disease.

Don't miss this unique opportunity to see Resilience- a movie that clearly and succinctly describes Adverse Childhood Experience (ACEs) and chronicles cutting edge examples of ways the research is being used to both prevent ACES and mitigate their impact.
