

All families in the Ingham ISD service area who have a child from birth to grade three are invited to register for ReadyRosie, an educational resource that uses the power of mobile technology and video modeling to support you and your child in learning!!

ReadyRosie's modeled moments are designed to bring valuable lessons into real life situations in an engaging way for everyone.

You will receive a weekly playlist of videos that connect fun activities with serious learning opportunities.

How it works:

1

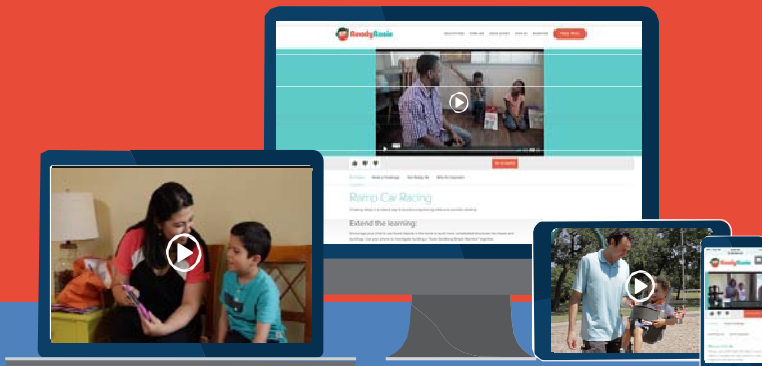

Families watch a 1-2-minute video from the playlist.

2

Families have fun learning and doing the activity.

3

Families can track progress and boost learning!
